BIOGRAPHIES

Steve Vahsholtz

Position Seeking: Re-election - Board Member

I am a current member of the Board of Directors and a lifetime member of the WPSC. I have been affiliated with the saddle club for 20+ years and for the past 4 years have been involved in the process of building a new facility for the WPSC. I am a firm believer in the western way of life and would like to see a facility for the kids as well as for the adults to enjoy the horses and horse related activities.

I am currently on the building committee and would very much appreciate the opportunity to help see this project through. Thank you for your support for this position on the Board of Directors

Stan Vahsholtz

Position Seeking: Re-election - Board Member

I have lived in Woodland Park for 45 years and have been self-employed for 39 years. I have been associated with the WPSC for the past 30 years as President, Vice-President, and Board Member. I am currently a board member and on the building committee for the new facility. I've worked, donated equipment and time to the numerous rodeos when it was PRCA, CPRA, and Little Britches as well as the Old Timer's Rodeo.

I guess I've had a passion for this club or I wouldn't have put so much time into it. I want to see it prosper again. It is a great western way of life and the generations to come need this in their lives and a place to carry on this tradition. I believe with the knowledge I've gained through these years I can be of some support to this great Board of Officers and Directors we now have. I feel they are on the right track for the years to come.

I would like to continue helping them finish that journey and would appreciate your support for my seat on the Board of Directors.

(Continued)

Mick Bates**Position seeking: Re-election– Board Member**

My name is Mick Bates. I have served on the Woodland Park Saddle Club board for the last 3 years and would like to serve a second term. We have come a long way in developing the new property in Divide and I would like to stay on board to see this project to its completion.

I bring to the club a solid business background as the principal and owner of Black Mountain Pump Service, Inc. in Divide. I am a Colorado native and moved my business to Divide in 1993. I have an extensive background in commercial and residential construction. I worked as a project manager for a developer in the Denver area from '85 to '93. My wife Collette and I raised our daughter Jessica competing in the Gymkhanas at Lake George and Woodland Park from age 10 to 18. Jessica completed her Gymkhana career as High Point Champion in the 15-18 year old age group. Jess and her family continue to be involved in the horse world with their 4 year old son Dane and 6 month old daughter Cassie who is about ready to 'cowboy up'. I look forward to the Saddle Club's future in Divide and hope to be a part of this exiting new venture in the years to come. Thank you

Chris Miller**Position seeking: Re-election - Treasurer**

I have served as Treasurer for the WPSC for the past two years.

Education:

I have a B.S. in Accounting from the University of Wisconsin - Lacrosse. I hold an inactive CPA certificate from the State of Minnesota.

Experience:

I have had many accounting jobs over my career, several with non-profit agencies. Since 1989 I have been self-employed. In addition to my business I also have a half time position at Sturman Industries in their Finance Department. I am proficient with QuickBooks.

Other Volunteer Experience:

I was the treasurer and board member for Lake George Gymkhanas for several years. I was a 4-H Leader for Rocky Mountain 4-H Club for several years.

Goal for WPSC:

Work to assure that the Woodland Park Saddle Club builds a facility that is paid for and that the organization retains adequate investments to generate enough income so the Woodland Park Saddle Club has a stable and sustainable future.

ARENA RULES

If you use the arena, PLEASE put the equipment back where you found it!

We are still finding barrels and poles in the arena.

The dumpster has been removed.

PLEASE clean up your own trash.

LOCK the gate when you leave. We have found it unlocked on several occasions!

WPSC BOARD MEETINGS

The Board meets the **1st Thursday** of each month at 6 PM. Membership is encouraged to attend. We meet at the Woodland Park Professional Building, 400 W. Midland in the 2nd floor conference room. A 2nd monthly meeting may be added if necessary. For details call and leave a message at 687-9975 or email us at info@wpsaddleclub.com.
